Multimedia Motion Graphics Designer

Florham Park, NJ

Job Description:
Work with the social media, broadcast and multimedia team to assist in various projects, including: Video and Web digital graphics, marketing material, branding materials, and infographics. This role will support the team and create graphics year-round for all of the video content across our social media platforms, broadcast shows, website, and stadium presentation.

Job Duties:
- Ability to effectively communicate concepts in graphic and/or visual means.
- Able to take a design from concept phase to the final piece.
- Experience creating compelling & appealing visual designs for video, web/digital projects.
- Can generate and manipulate graphic images, animations, sound, text and video into a seamless visual element.
- Extensive skills in After Effects, Photoshop, Illustrator and Premiere. Experience with Avid video editing software is a plus.
- Understanding of corporate branding, layout color theory and typography in both video and digital media.
- Ability to effectively manage multiple projects/tasks of varying complexities, meet deadlines and work well under pressure, and in a fast-paced environment.
- Collaborative team player willing to provide and accept constructive criticism and apply that feedback to future projects.
- Proof all and ensure quality control of deliverables.
- Contribute to the development of design and production processes and procedures.
- Perform other duties and responsibilities as assigned.
- Strong work ethic and get-it-done attitude.

Experience and Requirements:
- Bachelor's degree in Graphic Design, Motion Graphic Design, or equivalent
- 2-3 years of work experience in graphic design and/or motion graphic design; Strong typography skills; Strong understanding and experience with interactive media.
- Expert knowledge utilizing Adobe After Effects, Photoshop, Illustrator, and various 3-D software platforms a plus.
- Adept with all forms of social media and platforms, including: Twitter, Facebook and Instagram.
- MS Office Suite.
- Mac and Windows environments.
